

## One Health for People, Pets, and Partners™

## Your Charitable Endowment

Leaving a charitable bequest will often enable individuals to make a very generous gift to causes that matter to them and their families. There are also significant tax savings for the estate. The donation credit also applies to gifts of RRSPs, RRIFs, and life insurance proceeds.

[In-memoriam gifts](#) are another way of honouring your loved one and your family's wishes. Donations support the physical, mental, emotional, and social well-being of people of all ages with daily living challenges and the health and welfare of Human Services Assistance Animals (HSAAs) across Canada.

## Sample Language

Pay or transfer my estate's residue to The Canadian Foundation for Animal-Assisted Support Services, charitable registration number 870159043 RR0001. I wish that The Canadian Foundation for Animal-Assisted Support Services Board of Directors, in their absolute discretion, direct this gift as an endowment. Monies from the endowment can be

## Working Together to Make a Difference

Legacy giving promotes and facilitates a lifestyle of forever giving. Your endowment will impact Canadians' lives with disabilities or other daily living challenges, such as life-altering injuries, work-related injuries, victims of crime, or chronic illness. We would be pleased to discuss options to inform your choices.

When you give, a portion of your endowment is granted to the Foundation's charitable programs and activities annually to cultivate sustainability; and the remainder is invested.
